PILSNER

This European styled Pilsner is made right here in Northeast Portland. Light golden European Pilsner malt is married with Oregon grown Noble hops to make a refreshing Lager.
ABV 5.2% IBU 35

WHEAT

A classic Northwest American Wheat, unfiltered and medium bodied. Refreshing notes of lemon make the need for a fruit garnish unnecessary.

PALE ALE

A nice easy drinking Pale Ale. Enough of a malt character to balance the floral hop aromas and a subtle citrus finish.
ABV 5.2% IBU 45

IPA

This golden light bodied IPA delivers all the hop character a hop-head needs. Using a blend of Oregon hops, it carries an aggressive, yet pleasant hop profile of spice and citrus.
ABV 5.8% IBU 65

IRISH RED

A refreshing session amber, possessing a soft balanced malt character. A touch of roast in the finish that plays well with the subtle hop character.
ABV 5.5% IBU 30

PORTER

A blend of English malts that provide a chocolate malt profile, with minor mineral notes.
ABV 5.3% IBU 30
